Dear Friends

The Lockdown has had a severe financial impact on Jaffa affecting not only our residents but also our ability to raise much needed additional funds.

Residents rely heavily on interest derived from investment income and the current financial crisis has affected their savings and resulted in many being unable to meet their commitments.

Jaffa too has seen a dramatic drop in investment income.

Traditionally we sell Pesach gifts from Wendy's and our communal Pesach Seders are generally booked out both generating much needed funds for the Home. We have also seen a curtailment in our outside catering. Our requirement to stock up with masks, gloves sanitizers and other cleaning essentials has put a severe financial strain on our cash flow.

As a non-profit organisation we do not qualify for any financial assistance from government as mentioned in their various relief packages.

In view of the aforementioned we are appealing to the community to do a mitzvah for Jaffa this Pesach and give a donation towards the Jaffa Pesach Appeal. Your support at this time will be greatly appreciated.

We wish you and your family Chag Pesach Sameach

Yours sincerely,

Lesley Beckbessinger  
President - Jaffa
